**JOHN F. KENNEDY PRESIDENTIAL LIBRARY  
AND MUSEUM**

Columbia Point, Boston, MA

**COCKTAILS, AWARDS, AND DINNER**

**With YOU by our side, we are helping change lives for the better!**

Robert F. Kennedy left a legacy of social justice that focused on people facing immense challenges: caring for them, caring about them, believing in them, and inspiring them. He believed that society bears a responsibility to all of its members. YOU can answer the late Senator's call by supporting the children and adults in our programs to achieve meaningful and sustained well-being through care, treatment, education, and advocacy.
